We develop our work through  
constant dialogue within the studio,  
with our collaborators and with future  
users of our designs.

# A2 work across 5 main sectors:

- Masterplanning
- Urban Design
- Residential Architecture
- Commercial Architecture
- Domestic Remodelling

# Deliver the unexpected.

# A2 create exemplary schemes that work at every scale.

We are guided by a singular purpose: to create places and spaces that are functional, contextual and sustainable. In essence, architecture of true and lasting value.

There are no  
disciplines  
without  
understanding.

## Optimistic.

We see change as opportunity. We design with positive, open minds which makes us more receptive to seeing and doing things differently.

LANT.

LANT.

When we search for appropriate solutions for a given locality; we start by putting pen to paper and strive for a proposition that can both satisfy its direct user and synchronise with its surroundings.

# Quality is our standard.

No two projects are ever alike.  
We learn, we discover and then  
we use this knowledge to improve  
and perfect everything we do.

# Live by design.
